To be considered as an adopter, you must: be at least 18 years of age; have a legal ID with your current address; if you rent, be able to verify that you can have a pet where you live; understand the AAS reserves the right to deny the adoption of any pet for any reason and at any time prior to the actual adoption, regardless of any verbal approval by a shelter/AHS volunteer; and, be willing and able to spend the time and money to provide proper care and medical treatment for the pet.

***Pet ownership is a major responsibility.** In AAS' effort to find a great home for every pet, we ask that you take the time you need to fill out this application thoughtfully and spend some time discussing it with shelter staff. We also request that you ask one of our staff or volunteers to help you spend time handling the animal you are interested in adopting before submitting an application. The adoption process includes a thorough review of the entire application.*

***Affirmation:** By signing this application, you affirm that all submitted information is true and accurate and that you understand that any submission of false information will void the application for adoption.*
